LUCET FORK PATTERN

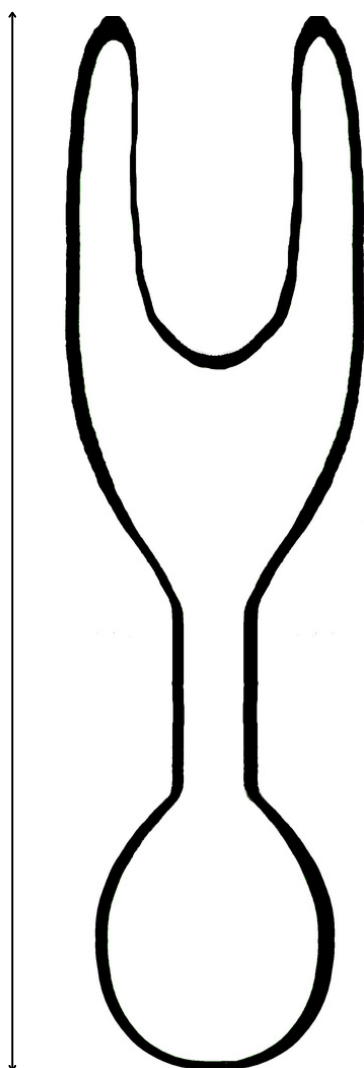

DETAILED INSTRUCTIONS ON WWW.LRCRAFTS.IT

What you need is:

- Solid wood board
- Wooden milling machine or wood saw
- Drill (if you want a central hole)
- Sandpaper and/or grindstone

To begin with this pattern:

- Print the chosen design on paper
- Cut out the lucet shape
- Place shape on the board and draw the outlines on wood
- Cut out the shape on wood, with saw or drilling machine
- Drill the central hole, if you want one
- Smooth out and refinish with grindstone and/or sandpaper
- Carefully sand with sandpaper and clean with sturdy cloth
